

## Additional information for the Crime Prevention with the Davis Police Department

### Virtual Information Session on Wednesday, March 20th

- Crime Prevention through Environmental Design (CPTED) survey request contact info. Email [policeweb@cityofdavis.org](mailto:policeweb@cityofdavis.org) with a subject line of *CPTED Survey Request*.
- Links to Davis PD social media accounts [Facebook](#) and [Instagram](#)
- Recommendations for employees discovering a burglary:
  - Employee safety is the most important consideration
  - Move away from the business to a safe area and immediately call Davis Police Department – 530-747-5400 or 911 if necessary
  - Do not enter the business, allow officers to clear it first
  - Do not move or touch any items until officers arrive, we can lose evidence if not preserved
  - Safely take notice of your surroundings for any vehicles or persons and take note of descriptions, only if safe to do so.
